Dear Partner,

Thank you for considering A Class Limo Car Service as your chauffeured transportation partner. We are a family-owned company based in Fairfield, New Jersey, and for more than 20 years we have moved executives, clients, guests and teams across New Jersey, New York, Connecticut and Pennsylvania.

Our role is simple. When your traveler rides with us, the experience should reflect well on your business: the right vehicle, a professional chauffeur, clear communication and a price agreed in advance.

Our reservation specialists and dispatchers are available 24 hours a day, 365 days a year, so a delayed flight, an early meeting or a last-minute change never has to wait for business hours.
